Our vision is to end Veteran suicide.

Active Heroes reduces depression, PTSD and in turn suicide through:

- **Education** - Peer Mentor suicide training and certification program.
- **Active Challenges** - Over 500 national events that help connect Veterans, Military Families and supporters while building camaraderie.
- **The Active Heroes Community Center** - Designed to help improve the lives of Military Families with activities that include acupuncture treatments, massages, yoga, crossfit, seminars and family nights.
- **The 144-acre Active Heroes Retreat Center** - Hosting thousands of Military Families for camping programs that include horses, archery, hiking trails and featured overnight cabins for families.
